Canada's history with Aboriginal Peoples is in the news

again, particularly in regard to Residential Schools, and the harm imposed on countless people. As the United Church of Canada, we are also complicit in this abuse through our involvement in residential schools. In 1986, the United Church offered an Apology to First Nations Peoples: "We tried to make you be like us and in so doing we helped to destroy the vision that made you what you were." Since this time we have been trying to live into this apology about broken relationships with a pledge to heal, so that we may go forward to live in deeper relationship with the original peoples of Canada.

In 1998, the United Church apologized specifically for its role in Indian Residential Schools, and since 2008 has been actively engaged in the Truth and Reconciliation Commission of Canada (TRC), which was created to address the history and legacy of Indian Residential Schools. The United Church is responsible for 15 residential schools operated between 1849 and 1969. About 6.7 percent of the approximately 80,000 residential school students still alive today attended United Church schools.

#### **A message from the Finance Committee**

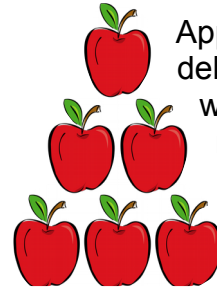

The United Church Policy states that an Audit or Review should be conducted on the bookkeeping each year. Due to the cost, we did not do this for several years. In December 2017, we asked Tim Sullivan to perform an Audit of 2015 and a Review of 2016 and 2017 on the General Fund.

We now have a letter from Tim stating that basically everything is in good order. Our Committee oversees the General Fund. Apple Core and Trustee Funds are overseen by others.

In January 2018, our longtime Bookkeeper resigned. Tim Sullivan took over this position. We wish to thank Tim for all his time and expertise on this project.

From now on, we will endeavour to have a Review done on an annual basis.

Respectfully Submitted, Steve Montague, Chair of Finance

Apple Corps is in need of volunteers to help sell our delicious pies and dumplings to our customers. The work is fun and rewarding. We sell on Saturday mornings during the farmer's market. Training is provided. If you would like to learn more, please contact me, or stop by our sales table on Saturday and talk to any of the people who are selling. Thank You – Jon [cowie.jon@gmail.com](mailto:cowie.jon@gmail.com)
